This Excel-base Data-rich Deliverable (DRD) that is part of the Mid-Sized Business subscription includes business demographics on Number of Employees for mid-sized businesses. Compass Intelligence defines Employment as non-farm, full and part-time workers in the US, hourly and salaried, including Government workers. Size of business includes Mid-Sized Business (100-999 employees). The Expert Guide for this deliverable is Kneko Burney. Forecasts are from 2005 through 2010 and include annual growth rates, as well as percentage of total market.

Sources: Compass Intelligence's segment and market forecasts, which include business expenditures, market demographics, and usage and adoption statistics are built using multiple sources, including proprietary Compass Intelligence research. These sources include, but are not limited to, secondary research, government data and statistics (e.g. Department of Commerce, Federal Communication Commission, Bureau of Labor Statistics and US Census Bureau), primary research, vendor-based research and in-depth interviews with key decision-makers, where relevant. Compass Intelligence selects data sources to provide greatest degree of perspective on each market or segment, in addition to the highest level of data accuracy, stability, and consistency over time.
