Company Coverage

Chipotle Mexican Grill, Inc.

Firehouse Restaurant

Five Guys

Panda Express

Executive Summary

A restaurant is a place or a business which prepares and serves food and drinks to customers in return for money. On the basis of the services provided by the restaurants, they can be broadly classified into two groups as: Full-service restaurants and Limited-service restaurants.

A full service restaurant refers as a sit down eatery where food is served directly to the customers table. Full-service restaurants can be further categorized into Fine Dining Restaurant, Casual Dining Restaurants and Family Dining Restaurants.

Limited service restaurants usually serve lunch and dinner menus, and some offer breakfast, afternoon, and late-night meals. Limited service restaurants can be further classified into fast food or quick service, fast casual restaurants, pizza restaurants, and cafes.

The US fast casual restaurant market is expected to increase at high growth rates during the forecasted period (2017-2021). The US fast casual restaurant market is supported by various growth drivers, increasing urban population, increasing employment, more customization in food menu, increasing disposable income, etc.
