Further, key players of the market Marriott International, Diamond Resorts and Hilton Grand Vacation Company are also profiled with their financial information and respective business strategies.

Company Coverage

Wyndham Worldwide Corporation

Marriott International, Inc.

Diamond Resorts International, Inc.

Hilton Grand Vacation Company, LLC

Executive Summary

The U.S. vacation Ownership (timeshare) market witnessed an upsurge at a significant CAGR during the span of 5 years, i.e., 2011-2016 and projections are made that the market would rise in the next five years i.e. 2017-2021 tremendously.

The vacation Ownership market is the major segment of the travel and tourism market, which can be segmented on the basis of the type of the timeshare properties into timeshare resorts and other timeshare units, which includes, privately-owned vacation homes, villas, cottages, apartments, condominiums and etc. Although, other timeshare units account the largest market share, timeshare resorts are gaining the momentum.

The major growth drivers for the U.S. vacation ownership market are: timeshare sales metrics, property purchasing preferences, perception, travel and tourism industry and high net worth individual population and wealth. Despite the market is governed by various growth drivers, there are certain challenges faced by the market such, seasonality, dream vacation barriers, highly competitive environment and technical issues. Some of the recent trends in the market include the rise in the vacation ownership households, inventory levels and next generation of timeshare prospects.
