MARKET SEGMENTATION:

By Form (Powder, Whole Leaf, Liquid, Tablet), Application (Industrial, Domestic), Distribution Channel (Direct Tenders, Retail), Country (South Africa and Rest of Middle East & Africa)

Major growing sectors under the market segmentation are as follows:

In form, powder segment is dominating the Middle East & Africa stevia market with largest market share because powder form is hygroscopic in nature and also in processed form which provides high sweetness compare to other form and used in many version in food and beverages industry.

In application, industrial segment is dominating the Middle East & Africa stevia market because sweeteners are used in various industries such as food, beverages, confectionaries, bakeries and others. Rising demand of low caloric food due to growth in cases of high obesity and diabetes amongst population leads the manufacturer to use organic and low caloric sweeteners in the consumable products.

In distribution channel, direct tenders segment is dominating the Middle East &

Africa stevia market with largest market share. The direct distribution involve the distribution of the stevia ingredients directly to the specialist industries such as food and beverages, confectionaries, baking industry and other industries require the stevia ingredients to manufacture the low caloric stevia ingredients to enhance the taste of consumable products.
