### Research Summary

Bathroom vanities are pieces of furniture that include a sink and countertop and usually have storage space beneath. They are designed to provide a place to wash hands and face, brush teeth, and to store toiletries and other bathroom essentials. Bathroom vanities are available in a variety of styles, sizes, and materials to fit a wide range of bathroom design preferences and budgets. Some vanities are wall-mounted, while others are freestanding and may include one or two sinks. They can be made from wood, glass, stone, or other materials and often have coordinating mirrors, lighting, and other accessories available.

The major global manufacturers of Bathroom Vanities include Kohler, IKEA, TOTO, American Woodmark Corporation, American Standard, Porcelanosa, Huida Group, D&O Home Collection, FOREMOST GROUP, Virtu USA, OVE D?COR, CABICO, Bertch, Design Element, Cutler Group, Legion Furniture, Strasser Woodenworks, James Martin Vanities, etc. The global players competition landscape in this report is divided into three tiers. The first tier comprises global leading enterprises that command

a substantial market share, hold a dominant industry position, possess strong competitiveness and influence, and generate significant revenue. The second tier includes companies with a notable market presence and reputation; these firms actively follow industry leaders in product, service, or technological innovation and maintain a moderate revenue scale. The third tier consists of smaller companies with limited market share and lower brand recognition, primarily focused on local markets and generating comparatively lower revenue.
