### Research Summary

CBD skin care refers to cosmetic and skincare products infused with cannabidiol (CBD), a non-intoxicating compound derived from the cannabis plant. These products aim to harness the potential benefits of CBD for the skin. CBD-infused skin care products come in various forms, including creams, lotions, serums, masks, and balms, and are designed to be applied topically. CBD is believed to have anti-inflammatory, antioxidant, and soothing properties that may help with various skin concerns. It is often used in skincare products to potentially alleviate skin redness, calm irritation, promote a balanced complexion, and provide hydration. CBD skin care products may also contain other beneficial ingredients such as botanical extracts, vitamins, and essential oils to enhance their effects. As with any skincare product, it's important to choose high-quality CBD skin care products from reputable brands and consider individual skin sensitivity or allergies. Consulting with a dermatologist is advised for personalized guidance.

The major global manufacturers of CBD Skin Care include Charlotte's Web, Kiehl's, Medical Marijuana, Cannuka, Isodiol Cannaceuticals, Lord Jones, Endoca, Kapu Maku,

Green Growth Brands, Elixinol Global, Leef Organics, The CBD Skincare Company, Josie Maran Cosmetics, Leela Body Care, Kana Skincare, Myaderm, CBD For Life, Apothecanna, Vertly, etc. The global players competition landscape in this report is divided into three tiers. The first tier comprises global leading enterprises that command a substantial market share, hold a dominant industry position, possess strong competitiveness and influence, and generate significant revenue. The second tier includes companies with a notable market presence and reputation; these firms actively follow industry leaders in product, service, or technological innovation and maintain a moderate revenue scale. The third tier consists of smaller companies with limited market share and lower brand recognition, primarily focused on local markets and generating comparatively lower revenue.

This report studies the market size, price trends and future development prospects of CBD Skin Care. Focus on analysing the market share, product portfolio, prices, sales, revenue and gross profit margin of global major manufacturers, as well as the market status and trends of different product types and applications in the global CBD Skin Care market.
