Cloth diapers come in different styles, including prefolds, flats, fitted, and pocket diapers, and they are designed to be washed and reused multiple times. Many modern cloth diapers feature adjustable snaps or hook-and-loop closures to fit babies of different sizes, making them a practical choice from birth to potty training. Cloth diapers can be used with or without diaper covers, which help prevent leaks and provide added protection. They are available in a variety of cute prints and colors, making diaper changing a fun and personalized experience. Using cloth diapers reduces the environmental impact of disposable diaper waste and can be more budget-friendly in the long run, especially if they are reused for subsequent children.
