Research Summary

Freight Audit and Payment (FAP) service is a process that involves reviewing, verifying, and reconciling freight invoices to ensure that shipping charges are accurate, compliant with contractual agreements, and correctly applied. This service typically includes checking for discrepancies such as overcharges, billing errors, and incorrect terms, as well as ensuring that the services provided align with the agreed rates and terms. After the audit, the payment is processed, often with automated systems that streamline these tasks, helping businesses manage transportation costs more effectively, improve cash flow, and reduce administrative overhead.

The major global suppliers of Freight Audit and Payment Service include Acuitive Solutions, Blume Global, Cass Information Systems, Transporeon Freight Audit (Formerly ControlPay), CT Logistics (The Commercial Traffic Company), CTSI-Global, Data2Logistics, enVista, Green Mountain Technology, Intelligent Audit, Interlog, nVision Global, RateLinx, Software Solutions Unlimited (SSI), TranzAct, Trax Tech, U.S. Bank Freight Payment, Trax Technologies, Koerber, Ct Global Freight Audit, iTech Logistics,

etc. The global players competition landscape in this report is divided into three tiers. The first tier comprises global leading enterprises that command a substantial market share, hold a dominant industry position, possess strong competitiveness and influence, and generate significant revenue. The second tier includes companies with a notable market presence and reputation; these firms actively follow industry leaders in product, service, or technological innovation and maintain a moderate revenue scale. The third tier consists of smaller companies with limited market share and lower brand recognition, primarily focused on local markets and generating comparatively lower revenue.

This report studies the market size, price trends and future development prospects of Freight Audit and Payment Service. Focus on analysing the market share, product portfolio, prices, sales, revenue and gross profit margin of global major suppliers, as well as the market status and trends of different product types and applications in the global Freight Audit and Payment Service market.
