### Research Summary

RTA (Ready-to-assemble) furniture refers to furniture items that are shipped in a disassembled state and require assembly by the consumer upon delivery. These furniture pieces come with all necessary parts, including panels, hardware, and assembly instructions, and are designed to be easily put together using basic tools such as screwdrivers and wrenches. RTA furniture is popular for its affordability, as the cost of shipping and packaging is generally lower due to the compact nature of the unassembled items. Additionally, RTA furniture offers convenience and flexibility, allowing consumers to easily transport and assemble furniture in their homes without the need for professional assistance. This type of furniture is available in a wide range of styles, materials, and designs, making it suitable for various spaces and decor preferences.

The major global manufacturers of RTA (Ready-to-assemble) Furniture include Sauder Woodworking, Dorel Industries, Bush Industries, Whalen Furniture, Homestar North
