Thailand Meetings, Incentives, Conferences and Exhibitions Market Size and Trends

The Thailand Meetings, Incentives, Conferences, and Exhibitions market was valued at USD 4.3 billion in 2024 and is projected to hit around USD 13 billion by 2033, growing at a CAGR of 10.3% during the forecast period 2025 to 2033.

Thailand Meetings, Incentives, Conferences and Exhibitions Market Growth Drivers

Several elements are driving the market growth of Thailand's MICE industry. Firstly, its strategic geographical location within Southeast Asia offers easy access for participants from both regional and global markets. Secondly, the Thai government has actively promoted the MICE sector through various initiatives, including financial incentives and infrastructure development.

Thailand boasts world-class facilities and venues that cater to the needs of corporate events. The combination of state-of-the-art convention centers, exceptional hotels, and unique recreational offerings makes it an attractive destination for planners seeking unforgettable experiences. As businesses continue to seek engaging venues for their events, Thailand is poised to remain a top destination in the global MICE landscape.
