## Abstracts

Technology and gastronomy made it possible to offer consumers fast and easy healthy fresh food. Consumers who do not have time to go to a restaurant or just want to stay at home began to alternatives to the classic pizza or chicken options. Likewise, many people at work sought an alternative to fast casual restaurants because they do not have time to go out but want a delicious and healthy option. Virtual restaurants, responded to that demand and increased in number. According to Lima Delivery,...
