Abstracts

Abbott's packaged food activities are mostly focused on baby food. The company is strongest in the US and China, but also has a significant reach in other markets in Asia Pacific. Facing more challenges in China, it may opt to focus on other key emerging markets, notably Indonesia and Vietnam. In the US, the company will seek to boost its non-GMO milk formula offer. Beyond baby food, it could benefit from the growing demand for healthy snacks in the US through its presence in energy bars...
