## Abstracts

2016 saw adult incontinence register another year of strong volume growth in Ireland as consumers gained stronger awareness of incontinence issues. One main factor behind this performance was the erosion of the taboos surrounding incontinence due to higher levels of social debate surrounding these issues. For instance, of particular resonance was the ongoing discussions about post-childbirth incontinence which were held during television programme by the popular English actress Kate Winslet as w...

Euromonitor International's Adult Incontinence in Ireland report offers a comprehensive guide to the size and shape of the market at a national level.
