## Abstracts

This report urges businesses to embrace affordable and accessible sustainability. It presents a comprehensive set of effective actions that can be implemented seamlessly to unlock the untapped potential of democratising sustainability during times of economic uncertainty. The report also explores what the future of sustainability might look like, and gives recommendations for businesses to follow.

Strategy Briefings offer unique insight into emerging trends world-wide. Aimed squarely at strategists and planners, they draw on Euromonitor International's vast information resources to give top line insight across markets and within consumer segments. Written by some of our most experienced analysts, they are designed as provocations for senior management to use in their own forum, allowing them to stand back and reflect on the behaviour and motivation driving global markets today and tomorrow

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
