Abstracts

The Africa and Middle East region is the fastest growing region in the Global, it will grow by 48.2% in 2010-2030 to reach 1.8 billion inhabitants in 2030. The region will continue to be the youngest in the Global with a median age of just 23.4 years in 2030 as a result of high birth rates and fertility rates as well as low life expectancy. The two fastest-growing major cities over 2010-2030 will both be in Nigeria.

Euromonitor International's Future Demographic reports provide in-depth data and analysis of population changes in 85 countries, 7 regions and a Global overview. The reports offer long-term demographic forecasts to 2030, and include breakdowns of population by age and sex, vital statistics and major cities. The series provides insight into demographic trends which will shape consumer segmentation and markets in the future
