Abstracts

This report discusses the current state of play of Unilever's home care business on a global level, and gives a performance outlook for the years ahead. As one of the company's focus areas, it has considerably increased its spending on sustainability, having committed its business operations, including production and usage of its products, to sustainability targets. Unilever has been involved with both acquiring companies to enter profitable niche markets and expanding its own brand portfolio.

Euromonitor International's Industrial reports provide a 360 degree view of an industry. The Industrial market report offers a comprehensive guide to the size and shape of the Air Transport market at a national level. It provides the latest retail sales data, allowing you to identify the sectors driving growth. It identifies the leading companies, the leading brands and offers strategic analysis of key factors influencing the market - be they new product developments, packaging innovations, economic/lifestyle influences, distribution or pricing issues. Forecasts illustrate how the market is set to change.

Product coverage: Non-scheduled Air Transport, Scheduled Air Transport.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
