Abstracts

With travel seeing a full return to pre-pandemic levels, airlines have been keen to take full advantage of the situation. This has included continuously adding new frequencies and introducing new destinations and routes to their networks. This strategy is especially important in light of the Kingdom's megaprojects and transformation agenda for the tourism industry. For example, the addition of new summer routes by Saudi Arabian Airlines is an important part of its growth strategy with it focusin...

Euromonitor International's Airlines in Saudi Arabia report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest market size data 2018-2022, allowing you to identify the sectors driving growth.
