Abstracts

Facing supply chain issues and raw materials inflation, Akzo Nobel slightly underperformed the home paint market over 2019-2022, owing in part to significant price increases. Focused on improving profitability in uncertain times, beyond cost cutting, the company is aiming to optimise growth in emerging markets, and to streamline its operations. Product messaging supports the wellness trend, with paint solutions to meet consumer demand regarding hygiene, pollutants and pests.

Euromonitor International's Akzo Nobel NV in Home and Garden (World) Company Profile offers detailed strategic analysis of the company's business, examining its performance in the Home and Garden market. The report examines the company's performance by region and category, its brand portfolio and new product developments, market and distribution strategies, challenges from the competition and future prospects.
