Abstracts

Albasco, which was originally a key manufacturer and retailer of apparel, has the strategic direction to expand its presence across the country by establishing more branches. The company also aims to expand its activities from apparel to other non-grocery items and from store-based to internet retailing. It has already established its website and has the objective to win a large consumer base for its website.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.

Product coverage: Non-Store Retailing, Store-based Retailing.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
