Abstracts

On-trade closures had a major impact on on-trade sales in 2020, with sales of alcoholic drinks packaging slumping in this channel in this year. This had followed a year in which on-trade sales had already seen a marked decline due to the anti-government protests often resulting in the shutdown of on-trade establishments. As a result, the packaging unit volumes used in the on-trade for alcoholic drinks more than halved between 2018 and 2020. However, the on-trade recorded a strong rebound in 2021...
