Abstracts

Alitalia Compagnia Aerea Italiana's main strategy is to decrease its capacity over the coming years, with a consequence of increasing the load factor and having a positive effect on its overall performance, although reducing its market share. The airline is expected to increase its long haul fleet in the medium to long term, with an increase of three aircraft by 2016. However, Alitalia is gradually decreasing its medium haul fleet by about 12 aircraft, closing down some markets/routes. The...
