## Abstracts

Amazon.com is likely to remain the strongest pioneer in internet retailing in the forecast period. The company will continue to roll out same-day, one-hour and two-hour delivery to a widening range of postcodes in addition to expanding the reach of its Amazon Dash automatic ordering system. Amazon.com could thus threaten the leading grocery retailers' strength in online grocery in the forecast period, particularly as it offers a wider range of items than any of the established competitors in thi...
