Abstracts

Evolving in a highly competitive environment, with many large players having developed a successful online activity, Amazon is expected to solidify and extend its current position while looking for online commerce opportunities in other areas. The company is driven by innovation and seeks to offer more products and services to its clients in order to maintain customer loyalty and improve brand recognition.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.

Product coverage: Non-Store Retailing, Store-based Retailing.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
