## Abstracts

Amcor Flexibles SA is a leading company within flexible plastic in France. Its impressive number of production sites enabled Amcor to offer good-quality products in food, tobacco, beauty and personal care, and home care. However, the Amcor French production is chiefly dedicated to exports as local demand only accounted for 30% of its total turnover in 2011. Amcor is aiming to deliver high-standard products at the same time as addressing important environmental issues.
