Abstracts

Although sales declined slightly in 2022, RTDs had been recording strong growth in the previous years of the review period. RTDs have been experiencing a surge in popularity within Japan's alcoholic drinks market due to their convenient and hassle-free nature, catering to consumers seeking a quick and easy drinking experience. This shift is also influenced by changing consumer preferences, with growing demand for lighter and more varied alcoholic beverages. Beverage companies have capitalised on...

Euromonitor International's Alcoholic Drinks Packaging in Japan report offers insight into key trends and developments driving packaging across the category. The report also examines trends and prospect for various pack types and closures: metal packaging, rigid plastic, glass, liquid cartons, paper-based containers; flexible packaging.

Product coverage: Beer, Cider/Perry, RTDs, Spirits, Wine.
