Abstracts

Amcor is a global packaging giant with a strong presence in North America and Western Europe. It produces mainly flexibles and rigid plastic for a number of fmcg industries, including food and beverages. Amcor is committed to all of its packaging solutions being recyclable, compostable or reusable by 2025 and achieving net-zero emissions by 2050. To maximise future growth, Amcor could look to increasingly tap into high-growth developing markets in Asia Pacific and Latin America.

Euromonitor International's Amcor Plc in Packaging (World) Company Profile offers detailed strategic analysis of the company's business, examining its performance in the Packaging industry. The report examines company shares by region and sector, product developments, market and distribution strategies, challenges from the competition and future prospects.
