Abstracts

As demand for the company's products is likely to stagnate in a mature direct selling marketplace and face competition from branded manufacturers, Amway is expected to protect its share in the country by focusing on more product development, extra marketing expenditure and the development of alternative sales models, particularly those via internet and mobile devices.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.

Product coverage: Non-Store Retailing, Store-based Retailing.
