Abstracts

Amway is the largest direct selling company in vitamins and dietary supplements globally. A pioneer of innovations, it distributes its Nutrilite premium assortments at comparatively high prices. The company faces rising pressure from other players offering wider assortments of dietary supplements at lower prices which appeal during economically unfavourable years. The company is further investing into scientific research and digital technologies as a competitive manoeuvre to halt this advance.

Euromonitor International's Amway Corp in Consumer Health (World) Company Profile offers detailed strategic analysis of the company's business, examining its performance in the Consumer Health industry. The report examines company shares by region and sector, product developments, market and distribution strategies, challenges from the competition and future prospects. Use it to understand opportunities and threats facing the business and the factors driving success.

Product coverage: Allergy Care, Herbal/Traditional Products, OTC, Paediatric Consumer Health, Sports Nutrition, Vitamins and Dietary Supplements, Weight Management and Wellbeing.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
