Abstracts

Value sales of analgesics in France continue to record solid growth in 2023 following a dynamic performance the previous year. The key growth driver is the increasing demand for acetaminophen, with the brand Doliprane from Sanofi, convincingly leading value sales in both paediatric and adult segments. Acetaminophen plays a key role in driving the category's growth, with increasing demand emerging from the notable surge in viruses and illness in France. 2022 and 2023 have been marked by what the...

Euromonitor International's Analgesics in France report offers a comprehensive guide to the size and shape of the market at a national level.
