Abstracts

Analgesics is set to see a sharp increase in demand in 2022, driven by adult acetaminophen. The government rolled out the vaccination pass scheme in May 2022, which requires Hong Kong residents to have received three doses of COVID-19 vaccine in order to enter certain establishments, including bars and restaurants. 80% of the local population had received three vaccine doses by October 2022. Analgesics, including acetaminophen and ibuprofen, are recommended by doctors to relieve the immune respo...
