Abstracts

Analgesics in Slovenia are projected to experience significant growth in current retail value throughout 2023. Both adult and paediatric analgesics are performing well. During the latter part of the review period, the sector benefited from the dominant presence of renowned brands like Nurofen (Belupo dd), Aspirin (Bayer doo), and Lupocet (Belupo dd), which received extensive promotion through television commercials. Television continues to be a primary channel for advertising analgesics, as the...
