## Abstracts

Retail volume sales of apparel accessories fell significantly for the second consecutive year in 2023. This was mainly due the declining performance of other apparel accessories, following the relaxation of all remaining regulations regarding the wearing of face masks in July 2023. The performance of the category was very much impacted by the pandemic, when there was a huge increase in demand for face masks, which became a crucial accessory. Accessories such as scarves, belts and ties also saw t...
