Abstracts

In 2012, mid-range international labels continue to see strong growth in the Singapore apparel specialist retail market. Well-established international brands like Mango, Uniqlo and Zara continue to appeal to middle-income shoppers in Singapore.

Euromonitor International's Apparel Specialist Retailers in Singapore report offers insight into key trends and developments driving the industry. The report examines all retail channels to provide sector insight. Channels include hypermarkets, supermarkets, discounters, convenience stores, mixed retailers, health and beauty retailers, clothing and footwear retailers, furniture and furnishing stores, DIY and hardware stores, durable goods retailers, leisure and personal goods retailers. There are profiles of leading retailers, with analysis of their performance and the challenges they face. There is also analysis of non-store retailing: vending; homeshopping; internet retailing; direct selling, as available.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
