Abstracts

Appliances and electronics specialists saw continued current value growth in Indonesia in 2023. While some of the leading players in this channel, such as Erajaya Swasembada and Electronic City, continued to expand their retail networks in 2023, the overall number of outlets continued to fall. To some extent, this was due to the increasing popularity of shopping for appliances and electronics via e-commerce, due to its greater convenience. Indeed, appliances and electronics e-commerce continued...
