## Abstracts

Appliances and electronics specialists in Sweden was one of the few channels that posted a decrease in retail value sales in 2022 and 2023. This was the case even in current terms, even though the inflation rate reached a high single-digit figure in these two years. Having derived benefits from the focus on the home during Coronavirus (COVID-19) lockdowns, appliances and electronics specialists faced severe difficulties towards the end of the review period. On the one hand, consumers focused the...
