Abstracts

Arcofina opened its first Ardis hypermarket in Algeria in 2012, which was located within its own shopping centre development. Ardis is owned by Arcofina Holding and the company is expected to develop an entire commercial and entertainment district around its shopping centre, including a business centre, a hotel and a premium residential development. It is also planning to open several other hypermarkets in Algeria over the forecast period.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
