Abstracts

During 2012, Asia Brewery Inc continued to expand its presence in the global marketplace, while also seeking to improve its performance in the Philippines. While the company is predominantly active within the beverage industry, its packaging involvement remains limited to its own brands, which means that any improvements in performance within beverages in turn benefit its position in packaging.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
