Abstracts

Asimotion is a distributor of innovative consumer appliances. The company focuses on robotic vacuum cleaners and actively supports its sales through professional marketing activities, which has led to a growing network of retailers. These are all high-value appliances and Asimotion's flagship product, the iRobot Roomba, is expected to be sold only in retail locations which focus on the customer experience and high-quality appliances.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
