Abstracts

Associated British Foods Plc (ABF) appears to be more dynamic in exploring opportunities beyond its comfort one and this is reflected in its continuous expansion in malt-based drinks in Brazil and the introduction of Ovaltine into India. The company, however, relies mainly on an organic growth strategy and has made no major acquisition for its hot drinks business in recent years.

Euromonitor International's Associated British Foods PLC In Hot Drinks (World) Company Profile offers detailed strategic analysis of the company's business, examining its performance in the Hot Drinks industry. The report examines company shares by region and sector, product developments, market and distribution strategies, challenges from the competition and future prospects. Use it to understand opportunities and threats facing the business and the factors driving success.

Product coverage: Coffee, Other Hot Drinks, Tea.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
