## Abstracts

Sydney maintains its position as Australia's most populous city, driving a strong consumer market. High internet connectivity enables 5G adoption and digital transformation in cities. Sydney leads in labour market and economic strength, while Perth, Darwin and Canberra show high GDP per capita. Addressing traffic congestion and investing in transportation and energy efficiency are vital. Euromonitor's City Scorecard assesses consumer and economic performance globally.

Euromonitor International's City Review reports analyse key trends and developments in 126 world's major cities. They provide localised city information in terms of economy, consumer lifestyles, housing and transport and city environment and offer valuable insights for strategic planning.

**Data coverage:** market sizes (historic and forecasts), company shares, brand shares and distribution data.
