Abstracts

At the time of writing this report, Australia faces a second wave of COVID-19 infections, resulting in major lockdowns across the most populous states, significantly impacting businesses and consumers. The impact of COVID-19 has resulted in significant changes in consumer priorities and spending criteria, and led to new values. This report identifies the major shifts and explores what changes are here to stay well past the COVID-19 period.

Strategy Briefings offer unique insight into emerging trends world-wide. Aimed squarely at strategists and planners, they draw on Euromonitor International's vast information resources to give top line insight across markets and within consumer segments. Written by some of our most experienced analysts, they are designed as provocations for senior management to use in their own forum, allowing them to stand back and reflect on the behaviour and motivation driving global markets today and tomorrow

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
