## Abstracts

Avon experienced relatively good growth amid the recession. The company's prime strategy continues to focus on new product offerings and frequent value offers and price deals in order to sustain consumers' interest. The challenge continues to be to maintain revenue at the more lucrative value-added end of the market while the retailer is also expected to go through another year of strong recruitment of sales representatives in order to maintain forecast volume sales.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.

**Product coverage:** Non-Store Retailing, Store-based Retailing.
