## Abstracts

AvroMed LLC is expected to focus on further expanding its range during the forecast period. The company is keen to encourage sales growth for affordable consumer health products and is thus likely to emphasise its own range in its AvroMed chain of pharmaceutical stores during the forecast period. The company is also expected to benefit from further expanding its product range and from further expanding of its outlet network.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
