Abstracts

Baby and child-specific products registered moderate constant value and volume growth in Azerbaijan in 2023. While inflation was still an issue, it eased somewhat, particularly later in the year. In addition, any supply disruptions caused by the war in Ukraine were for the most part ironed out. That being said, with the economy slowing, consumers were price sensitive and price was the main driver of value sales, with for instance Turkish brands performing well. In terms of value growth, sun care...
