## Abstracts

Baby and child-specific sun care led growth in baby and child-specific products in Peru in 2023. Peru has experienced high temperatures in recent years, with the coastal areas seeing a semi-arid subtropical climate, thus leading consumers to be more aware of the importance of sun care for both themselves and, notably, their children. Added to which, parents tend to frequently apply sun protection products when it comes to their children, especially when at the beach and swimming in the sea, for...
