Abstracts

Bags and luggage is set to exhibit robust double-digit growth in current value terms in 2023, which can be attributed primarily to the positive influence of widespread vaccination in Mexico, and the official cessation of the state of emergency for the COVID-19 pandemic in the second quarter of 2023. Despite Mexico maintaining open borders throughout the pandemic, various measures were implemented to curb the spread of the virus. 2023 has marked the first complete year of in-person attendance in...
