Abstracts

As a state company, the central goal of Banco del Estado is to help increase access to the financial system and make its services and products accessible to anyone. In other words, Banco del Estado is looking to increase the involvement of the Chilean population in the banking system, thus building a base for sustainable access to the bank system in order to reach more participants. One of its main aims is to boost mass payment methods such as remote services. In addition, the company also has...
