Abstracts

Bath and shower saw double-digit current value growth in Israel in 2023. The importation of such products was eased by the reform of regulations relating to cosmetics imports, which came into effect on 1 April 2023. The goal of the reform is to reduce the obstacles faced by importers and thereby ease the process. This is intended to increase competition in the market and lead to a decrease in prices. The reform will allow parallel imports of products that are approved in Europe, and will not req...
