Abstracts

Body wash/shower gel further increased its dominant value share in 2019, being available in all price segments and very well received by consumers, with sales peaking during the famously hot summer months in Uzbekistan. Despite modest gains in liquid soap retail value shares, due in part to new support streams such as its use in mosques, liquid soap did not manage to dent bar soap's lead as it remained the main choice of lower income consumers. Rural consumers in particular tend to be more budget...
