Pages: 2

Price: US\$ 150.00 (Single User License)

ID: BB2CFA1BA0EEN

Abstracts

BCC is set to continue expanding in the Netherlands and strengthening its position in the retailing of consumer electronics and consumer appliances, although following the recent acquisition of 18 former HiM retail outlets in 2015, it is unlikely that the company will seek to further expand the number of outlets in operates during 2016. Because of its low-price strategy, however, the company is still struggling to turn a profit.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
